NRO REVIEW COMPLETED

14 00073636D

COR 2213  
Copy 6 of 6

28 JUL 1963

**MEMORANDUM FOR:** Assistant Director, OSA  
**SUBJECT:** Schedule of NRO Satellite Launches  
**REFERENCE:** Memo from DAD/OSA to AD/FA/OSA, dated  
 25 June 1963; subject: Same as above  
 [Redacted]

25X1

1. In accordance with subject reference, a suitable system is now in effect to monitor the schedule of NRO satellite launches.

2. A current status board is maintained within the Control Center which indicates planned launches for 3 months in advance. This information is obtained from the Satellite Operations Office on a routine basis by means of a [Redacted] message [Redacted]. In addition to the status board, a status report containing changes in schedule of NRO satellite launches is prepared for limited distribution through the Assistant Director's office.
